Mr. Paul F. Henderson, Engineer,  
Uintah Irrigation Project,  
Myton, Utah.

Dear Mr. Henderson:

RE: UINTAH DIST.

I have your letter of August 13 with reference to an exchange filing of either the Farnsworth or Farmers Irrigation Company. So far as we have been able to find there is no such application in this office.

It may be possible for you to learn from the officers of either of these companies the number of the application in question, this being a sure and ready means of identification.

Yours very truly,

State Engineer.
